

141.5 C VOL CONEFLOW SKIP

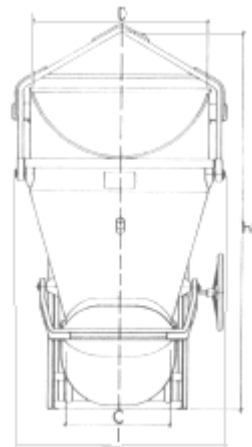

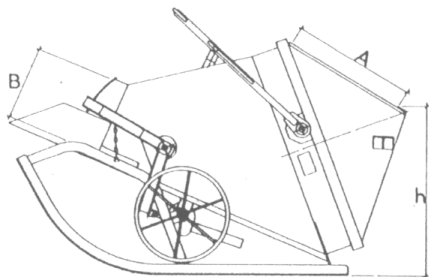

The 141.5 C VOL Coneflow skip is a versatile general purpose rollover skip with angled discharge which is useful when access is limited.

The gate is operated by means of a hand-wheel with the option of lever operation on the 500 litre model.

When on the ground the skip sits in the horizontal position for ease of filling and reverts to the vertical when in use.

Larger capacities up to 5000 litres are available on request.

Capacity in litres	Dimensions in mm								Unladen weight (Kg)
	A	B*C	D	h	h1	Length	Width	Height	
500	550	410x410	880	865	2265	2040	1060	1220	190
800	625	650x400	1070	980	2540	2265	1300	1465	315
1000	625	650x400	1070	1040	2740	2460	1300	1515	355
1500	835	650x400	1470	1180	2860	2480	1680	1620	600
